S E E I N G B L I N D N E S S

Touching gestures and thinking out loud
is seeing blindness.

Seeing blindness is the way you think
with your eyes open
without looking.

Seeing blindness is the knowledge of touching forms
and the forces that produce those forms.

Seeing blindness is the vision that you have
from the unknown
and the way to justify your presence and your permanence
catching your fears.

Seeing blindness is the effort of the eye
to see through darkness
listening to every movement
in every sound
in silence.

STOLEN KISSES

A lunar kiss
A strange kiss that swims
A kiss that kiss kisses
A real kiss that cries
A kiss that compromises
A fraternal kiss from a promised kiss
A crescendo of proper kisses
An indomitable kiss
An ad infinitum kiss
An adios kiss
An impossible kiss
A proper kiss
A kiss that holds your breath
A friendly kiss
A kiss that performs
A manifesto kiss
A massage kiss
A subversive kiss
A retroactive kiss
A kiss that kills
A sublime kiss
A crispy kiss
A glorious kiss
A sorrowful kiss
A mystic kiss
A witty kiss
A disappearing kiss
A seductive kiss
A silent kiss
A distant kiss
A brotherly kiss
A silly kiss
A serious kiss
A kiss that multiplies
A smiling kiss
A traditional kiss
A searching kiss

The challenge of lust is that it is never dry
So instead
I propose stolen kisses of time.
